New Home Fellowship

Starting this week at the Sidman's Join us Thursday at 6pm - as we share a meal/fellowship/prayer. Bring a dish to share, and open heart and invite a friend. If you are not connected to a small group fellowship where you are accountable and connected you are missing out - Sunday only is not enough to truly be connected as we are commanded to be to the rest of the Body. Among many other facets, the methaphor of a "body" as a picture of relationships in the church is a strong reason for a regular place to fellowship with brothers and sisters.

Urgent Prayers!

We have many sick people among our number....please pray for many going through a variety of medical situations. Our God still heals!

Urgent Need - Truth in Trinity

We have a load of new Bible tracts to hand out. Put some truth in people's hands - see the table in the fellowship hall. "...The truth shall set you free!" John 8:32
Trac titles:

What you Miss by Being a Christian... Hell!

God's Last Name is Not 'Damn'

Welcome!

We are glad you are in this fellowship today and want you to enjoy being with us!

We do four things in our church that are found in the early church in the book of Acts in the Bible . We share life together (commonly called fellowship), we pray together, break bread together and devote ourselves to the study and teaching of God's Word.

We do these things simply to please God who gave us His only Son, who died on a cross for our sins to redeem us, and make us a new people. If you love Jesus or are interested in seeking and finding out who He is, you are welcome, friend! Let us know how we can serve you today. If you desire prayer please fill out a communique card available in the sanctuary or better yet - come up at the end of the worhsip service and talk to us personally.

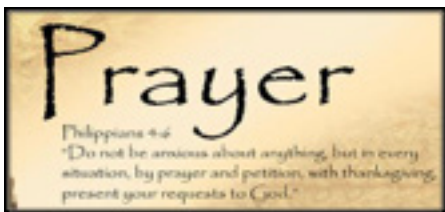

And they devoted themselves to the apostles' teaching and the fellowship, to the... breaking of bread and the prayers. And awe came upon every soul, and many wonders and signs were being done through the apostles. And all who believed were together and had all things in common. Acts 2:42-44a

Prayer Needs

We are to be men and women and even boys and girls of prayer! "Pray without ceasing" Paul wrote...and there is such great joy and blessing in prayer. Here are some current things to pray about.

- * Continued healing of John Stratton after surgery
- * Revival among us and salvation of the lost in Lewiston and northern Cal.
- * Pray for the sick - many in our fellowship have chronic illness.
- * Caryn J recovering from knee replacement surgery - pray for healing and the pain to subside.
- * Pray for the possibility of some day having a discipleship ministry housed here among us.
- * Pray for Kevin and Catherine Bubna - missionaries to Moz. Africa
- * Pray for Redwood Teen Challenge
- * Pray for more house gathering fellowship meetings during the week. See Pastor Rod for more details.
- * Pray for workers for the harvest
- * Pray for Henry - healing and salvation - and grace and peace for Ellen!

Kirk Cameron: CONNECT

Real help for parenting kids in a social media world

Great opportunity to get out with our kids and find ways to redeem media! Fathom Events and Provident Films are excited to bring another event featuring Kirk Cameron. In a social media-centered world, the smart phone has become a cultural rite of passage for kids. But is that rite, all wrong? How can this generation of parents blaze a new trail to equip their kids to thrive in an ever-changing digital environment while steering clear of the dangers that lurk nearby? With six kids, Kirk Cameron fully understands this dilemma. So he went to the experts, and what he learned will enlighten, challenge and encourage parents. And best of all: it can help strengthen your family!
